 mind that we will use the Journey 3 experience as the first 90-days where you can practice with a cohort the Life-Making Cycle tools. It is impossible to become unconsciously competent at any task without moving through a phase of "conscious competence;" the phase where you are practicing, stumbling, and learning with conscious effort.

## HOW DOES THE LIFE-MAKING CYCLE WORK?

The Life-Making Cycle is the built on three rhythms of review as you allocate daily energy, attention, resources and love to live from your LifeCall. We think of this as making your most meaningful life. While we speak to the importance of daily allocation of your life, we do not embed tools at the daily level. This omission is intentional. We believe that each individual must strive to be aware of their plan on a daily basis, as a result of a prescribed weekly review. As a reminder, even though we don't have a daily tool per se, you will most likely have at least one daily rhythm step in one of your storylines as you move toward your 90-day goal.

## Life-Making Cycle (continued)

## How to Review and Renew Your Younique LifePlan

## ENGAGING THREE RHYTHMS

## Reflect Weekly

The core practice of the Life-Making Cycle is the weekly cadence of reflection. During this time which can be accomplished in 15 minutes to one hour (depending on your personal preference), you will self-assess your four storyline rhythm steps and movement toward your 90-day goal with a Weekly Reflecting Guide.

## Plan Quarterly

In addition to your weekly reflection you will plan your next 90-day goal and reset your rhythm steps using a Quarterly Planning Guide. Doing this four times a year means that the bottom two horizons of your Horizon Storyline are being completely renewed and updated four times a year. We recommend that you block 2-4 hours for this step and connect it to life-giving times, places and activities. Build this in your calendar in a way that you will most certainly look forward to it!

## Retreat Annually

The final rhythm to engage is a yearly personal retreat. At this time you will update the annual horizon on your Horizon Storyline in addition to the quarterly planning work. That is, you will reset and redefine the four most important objectives of the following year as you move toward your 3-year beyond-the-horizon picture.

During the annual retreat, you also have the opportunity to review your personal Vision Frame. You can review your LifeCore and run through the exercises of your LifeSteps again. At the yearly retreat we recommend that you tweak any articulation on your Vision Frame if you can refine it for better accuracy or deeper meaning. No previous articulation is sacrosanct. These tools are for you to improve as you get more experience to grow.

We recommend that you schedule and annual retreat for 1-2 days. You will use the Annual Retreating Guide for the first time.

## Life-Making Cycle (continued)

How to Review and Renew Your Younique LifePlan

## CALENDAR BLOCKING - THE FIRST BIG APPLICATION STEP

Fifty percent of accomplishing the Life-Making Cycle is calendaring and "time-blocking" in advance. This step is so important we want to give you time to calendar while we are defining and recommending the renewal rhythm.

Reflect Weekly: What is the best time and place for you on a weekly basis?
$\square$

Quarterly Planning and Annual Retreating: What days will you plan to spend 2-4 hours for planning? On every fourth quarterly planning time slot you will do an annual retreat for 1-2 days. The annual retreat is indicated by the shaded box below:

Year One: 4 quarterly planning days with one annual retreat that includes quarterly planning.

Year Two: 4 quarterly planning days with one annual retreat that includes quarterly planning.

|  |  |  |  |

Year Three: 4 quarterly planning days with one annual retreat that includes quarterly planning and a three-year renewal of the beyond-the-horizon vision.

## CLARITY COMMITTEE GUIDELINES

1. The focus person chooses the his/her clarity committee.
2. Clarity committee members are to ask only open and honest questions-no advice is to be given and no leading questions are to be asked.
3. The meeting is to begin in silence until the focus person breaks the silence to present his/her dilemma.
4. There are to be no jokes or chatter or responding to questions that are being asked in order to relieve the tension as questions are being asked by anyone other than the focus person.
5. The meeting must last 2 hrs.
6. The last 20 minutes of the meeting will be used for mirroring back to the focus person the focus person's comments throughout the session and for affirmation of the focus personunless the focus person would rather be asked more questions.
7. Clarity committee members are not there to "fix" the focus person and should not feel let down if exact answers to the dilemma are not formed during the session.

## CLARITY COMMITTEE SCHEDULE

1. The meeting is to last exactly 2 hours.
2. The meeting begins with extended silence.
3. The focus person breaks the silence when he/she is ready by presenting his/her dilemma
4. Honest and open questions are asked from the clarity community at a slow, gentle and humane pace in which the focus person is to answer and react.
5. Questions and silence continue intermittently until there is 20 minutes left in the meeting
6. When the meeting is 20 minutes from being over, the focus person is alerted. At this time the focus person can choose to either continue being asked questions or have the clarity committee mirror back to him or her what he/she has said throughout the evening.
7. The last 5 minutes of the meeting is devoted to affirming the focus person.
