Live the Dream

Jeremiah 29:4-14, NIV

⁴This is what the Lord Almighty, the God of Israel, says to all those I carried into exile from Jerusalem to Babylon: ⁵"Build houses and settle down; plant gardens and eat what they produce. ⁶Marry and have sons and daughters; find wives for your sons and give your daughters in marriage, so that they too may have sons and daughters. Increase in number there; do not decrease. ⁷Also, seek the peace and prosperity of the city to which I have carried you into exile. Pray to the Lord for it, because if it prospers, you too will prosper." ⁸Yes, this is what the Lord Almighty, the God of Israel, says: "Do not let the prophets and diviners among you deceive you. Do not listen to the dreams you encourage them to have. ⁹They are prophesying lies to you in my name. I have not sent them," declares the Lord.

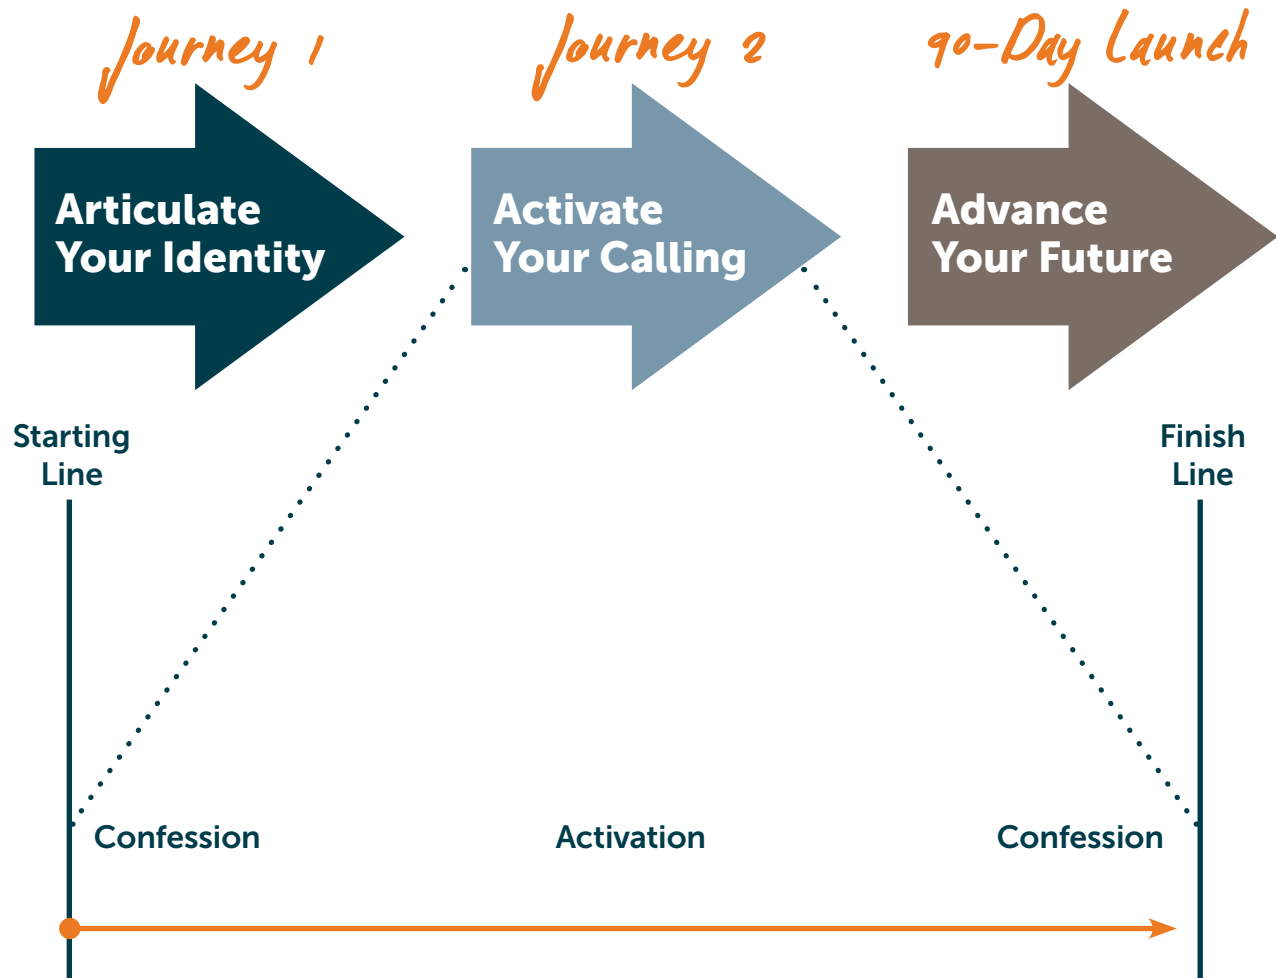

¹⁰This is what the Lord says: "When seventy years are completed for Babylon, I will come to you and fulfill my good promise to bring you back to this place. ¹¹For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future. ¹²Then you will call on me and come and pray to me, and I will listen to you. ¹³You will seek me and find me when you seek me with all your heart. ¹⁴I will be found by you," declares the Lord, "and will bring you back from captivity. I will gather you from all the nations and places where I have banished you," declares the Lord, "and will bring you back to the place from which I carried you into exile."

Moving to Storylines from Domains

A Giant Leap Forward in Life Design

Virtually all life planning methodologies use domains. Domains represent different areas or aspects of life that make life complete, such as family, career, social life, etc. We have already conducted a **Four Life Domains** Assessment that uses the five domains of Tom Paterson. The methodology may not use the term “domain” but there is always some type of category to assess and plan for life. For example, the personal productivity blogger Michael Hyatt uses the term “life accounts” instead of domains.

One example of domains from the Bible is *Luke 2:52*. Luke, the biblical writer who is also a doctor, reports on Jesus’ development in regard to four domains: wisdom, stature, favor with God and favor with men. These correspond with mental, physical, spiritual and social domains.

Other example of domains include the highly adapted “Wheel of Life” that breaks life into 6-10 categories. The wheel emphasizes a holistic view and the importance of achieving balance. The wheel of life categories used by performance coach Tony Robbins are below. The book, *Designing Your Life*, by authors Burnett and Evans use four simple categories, also listed below.

Examples of Life Domain Categories			
The Bible (<i>Luke 2:52</i>)	Tom Paterson	“Wheel of Life” by Tony Robbins	<i>Designing Your Life</i> by Burnett and Evans
Wisdom	Personal	Health and Wellness	Health
Stature	Family	Mind and Meaning	Love
Favor with God	Faith	Love and Relationships	Work
Favor with Men	Vocational	Productivity and Performance	Play
	Community	Career and Business	
		Wealth and Lifestyle	
		Leadership and Impact	

Moving to Storylines from Domains (continued)

A Giant Leap Forward in Life Design

One improvement in the *Younique Experience* is the pivot away from domains to use storylines. A storyline is a major theme in your life's unfolding narrative. It's a sub-story of your *LifeCall* and one of the key developing plots of your life.

It's usually not hard to make the jump from a domain to a storyline. Why do we recommend a change?

The Five Benefits of Using Storylines

1. Storylines are not limited by physical _____ and _____ categories.
2. Storylines elevate the power of _____ which is more fundamental than activity.
3. Storylines highlight God's _____ and sovereign goodness in my life.
4. Storylines are more _____ and therefore they become more practical and powerful.
5. Storylines become the basis of a _____ - centered life assessment tool.

Psalms Spirituality: A Biblical Approach to Life Assessment

Thriving, Surviving and Reviving

1. The Psalms are a unique part of biblical revelation. All revelation is God speaking to humankind. But only the Psalms show how humankind should _____ back to God.
2. According to Walter Brueggemann, the best way to categorize the Psalms and to relate them to your life is to see each one as a God- directed moment in one of three life states:

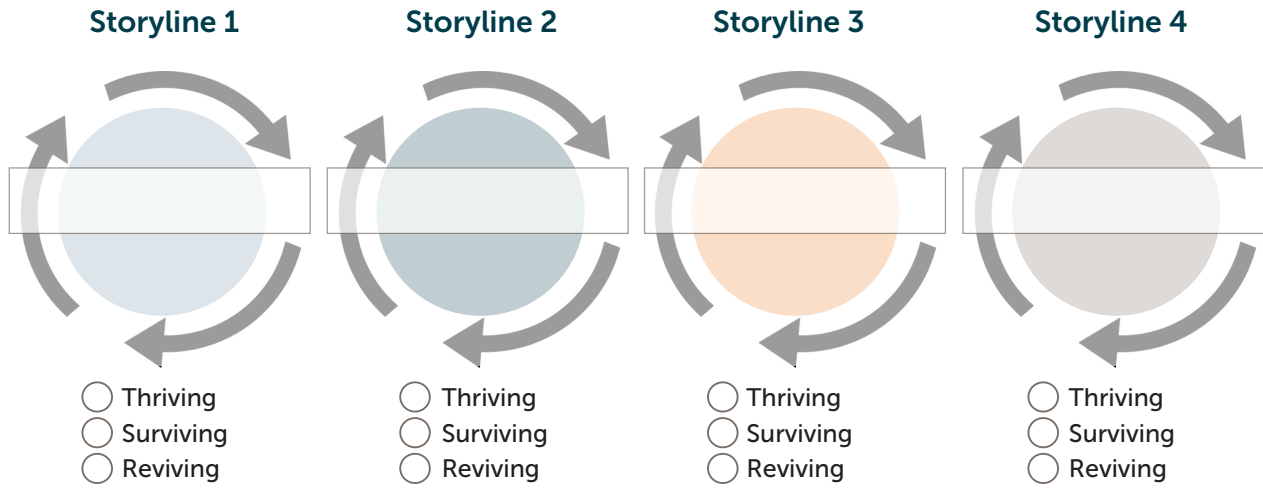

Psalms Spirituality

Thriving, Surviving and Reviving

3. These life states correlate with Scripture's broadest narrative and the individual lives of saints defining life as a gospel-centered, faith-accessed _____ cycle.
- Thriving = Goodness at _____ = Season of _____.
 - Surviving = Judgement through _____ = Season of _____ & _____.
 - Reviving = Restoration by _____ = Season of _____.
4. The paramount observation is this: Spiritual maturity is not about how _____ you are doing or feeling, it's about _____ to God despite how you are doing or feeling.
5. Using "Thriving, Reviving and Surviving" as categories of assessment for our Storylines keeps our weekly reflection:
- Ultimately _____ - centered, not _____ - centered.
 - Reminds us of the hope of the _____, temporally and eternally.
 - Builds an anticipation of the guaranteed and _____ goodness of God.
 - Nurtures _____ with myself and with God.
 - Accounts for having _____ and _____ in different areas of life at the same time.
 - Gives permission for the wide range of _____ in life. It's okay not to be okay.

Read Psalm 18:20-36

David gains confidence in his life by _____ where God has given him light to _____.

Confidence is based on identifying _____.

Role Mapping

Most people take time to think about what they are doing. Few people take time to think about how they are doing it. The truth is that we all have many different roles that we play in our lives. But are we in the right roles and are the roles that we find ourselves playing the kind of roles that maximize our LifeCall? One of the exercises that will help you determine the appropriate LifeSteps in your life, is to complete a Role Map. This Role Map will help you identify the different roles that you are currently playing in each Storyline and help you determine if these are the right roles and what changes might need to be made for you to maximize your LifeCall.

Instructions: One of the most effective strategies you can use to develop your LifeSteps is to identify and clarify the different roles that you are playing in your life.

Step #1 *Fill in your Storylines in each of the Storyline Circles on your Role Map Sheet.*

Step #2 *Identify the 4 Primary Roles that you are playing in each Storyline. Primary Roles create a general sense of how you function in that Storyline.*

Step #3 *Identify the 3 Secondary Roles that best describe the way you accomplish your Primary Roles. Secondary roles provide a specific sense of how you function in your Primary Roles.*

Step #4 *After completing your secondary roles, ask yourself these questions:*

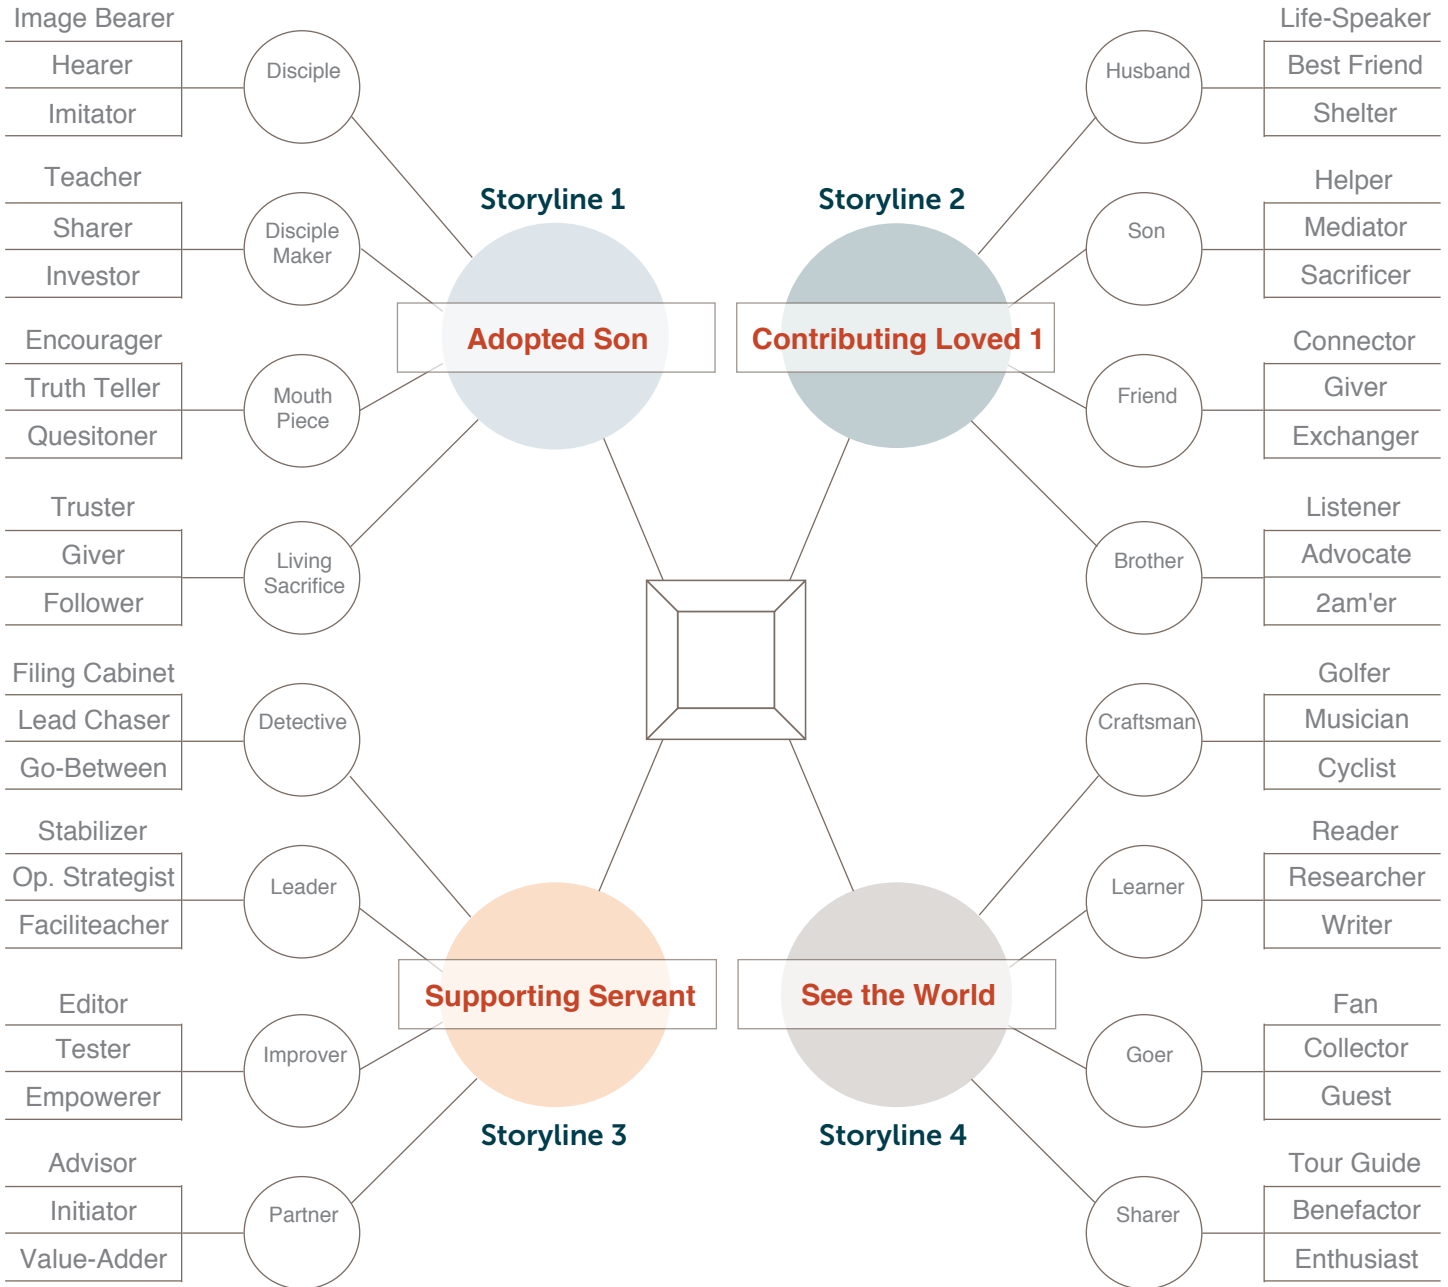

1. What role(s) needs to change?
2. What role(s) do I need to add or subtract?
3. What role(s) needs my attention the most?
4. What role(s) needs to be emphasized?

Which roles on your Role Map have you been unintentionally neglecting?

Are there any Storylines where the roles that you are currently playing might need to be shifted?

Replenishment Rhythms

Genesis 1:1-13, NIV

¹ In the beginning God created the heavens and the earth. ² Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters.

³ And God said, "Let there be light," and there was light. ⁴ God saw that the light was good, and he separated the light from the darkness. ⁵ God called the light "day," and the darkness he called "night." ***And there was evening, and there was morning—the first day.***

⁶ And God said, "Let there be a vault between the waters to separate water from water." ⁷ So God made the vault and separated the water under the vault from the water above it. And it was so. ⁸ God called the vault "sky." ***And there was evening, and there was morning—the second day.***

⁹ And God said, "Let the water under the sky be gathered to one place, and let dry ground appear." And it was so. ¹⁰ God called the dry ground "land," and the gathered waters he called "seas." And God saw that it was good.

¹¹ Then God said, "Let the land produce vegetation: seed-bearing plants and trees on the land that bear fruit with seed in it, according to their various kinds." And it was so. ¹² The land produced vegetation: plants bearing seed according to their kinds and trees bearing fruit with seed in it according to their kinds. And God saw that it was good. ¹³ ***And there was evening, and there was morning—the third day.***

Declaring One 3-Year Vision

BEYOND THE HORIZON (3 YEARS)

The beyond the horizon vision is a vivid picture of your life 3 years into the future. It is an aspirational sense of destination that clarifies what you hope to accomplish in this time window. It should build from a singular idea that can be stated as a sentence, anchored with a helpful image or metaphor, and as a vivid description paragraph. It is primarily qualitative and is designed to be a personal tool that you revisit for inspiration and focus.

- Shapes your life legacy and your largest sense of ultimate contribution.
- Creates deeper meaning for your life as you look ahead.
- Cultivates a life of deeper sacrifice for the things that matter most.
- Guides the development of one-year planning.

QUESTIONS FOR DEVELOPING BEYOND THE HORIZON

- When you picture your life 3 years from now, what do you see? What do you see that excites you the most?
- Articulate what you see as if it is complete. "I envision..." or "I will have..."
- Based on the journey you have been on during *Life Younique*, what has God been preparing you to do in the next 3 years?
- What will be the dominant theme in your life 3 years from now?
- What is the most important thing that should be different your life 3 years from now?
- How do you hope your family will be different?
- How do you hope your vocation will be different?

Beyond the Horizon (continued)

Declaring One 3-Year Vision

- What are the obvious thresholds in your life or turning points that will occur in the next 3 years? (graduations, retirement, financials, births, weddings, promotions, empty nest, relocations, etc.)
- If you are anticipating several thresholds in the next three years, how do you relate them together? Can you capture the meaning of these thresholds in one idea, theme or picture?
- Write down multiple bullet points of what you hope your life looks like. Think of images or metaphors to help you paint a picture.

Background Horizon

Declaring Four 1-Year Objectives

BACKGROUND HORIZON (1 YEAR)

The background vision contains four ideas, primarily qualitative, that clarify the four most strategic emphases in the next years in order to fulfill your beyond the horizon vision. Each emphasis can be stated in a short phrase with two or three explanatory sentences. The background vision is not designed to inspire, but to clarify. As such, the background horizon:

- Clarifies a broad-level roadmap to approach the next year
- Directs long-term allocation of your life resources
- Limits blind spots that would inhibit progress
- Provides context for short-term goal setting (the next shorter horizon)

DEVELOPING THE BACKGROUND HORIZON

Use the Background Horizon Worksheet:

- All steps with the Background Horizon Worksheet work together with your beyond the horizon vivid description paragraph. While it is not essential to do this first, it is preferable.
- Brainstorm a list of observations about your life both qualitatively and quantitatively and record them in the “Where am I now” column. Anything goes. Do your best to create a current picture of your life as is. For example:
 - Work is satisfying, but not paying the bills.
 - Kids are starting to need more time from me.
 - House remodeling is underway and going slow.
 - \$7,000 of credit card debt.

Background Horizon (continued)

Declaring Four 1-Year Objectives

- Brainstorm a list of observations about where you want your life to be one year from now and record them on the “Where am I headed” column.
 - Saving an additional \$200 per month.
 - I am coming home from work earlier.
 - Kitchen remodeling completed.
 - No credit card debt.
- Brainstorm ideas on the third column for “How am I getting there.” Don’t think in detail, but in broad approach. For example, to reduce debt are you going to get a raise, a second job, or are you going to spend less.
- Finally, look for common themes in this third column. Group themes together and look for up to four. These four will inform the four ideas of your background horizon.
- Refine these by evaluating them in light of your beyond the horizon paragraph. What minor changes would you add? Do these clarify the four most important things to pay attention to this next year? What must happen in this next year of my life?

Healthy Branches: Intentionally build new relationships in every domain.

Personal Fruit: Retreating and reading in a way that relaunches by blog.

Midground Defined

Midground Horizon (90 days). The midground horizon is a single emphasis stated as both a qualitative and quantitative goal in the next 3-months of your life. Like the beyond the horizon vision, the midground horizon is designed to provide inspiration and focus by using singularity to stretch your thinking of what might be possible. It can be stated in one sentence as an idea or picture with a quantitative component—a numerical goal and date. The midground horizon:

- Generates excitement for accomplishing one big goal.
- Focuses the attention, prayers, and resources of your life in a dramatic way.
- Reveals progress for celebration (or recalibration).
- Determines a single priority in the complexity and messiness of life.

Foreground Defined

Foreground Horizon (next week). The **Foreground Horizon** contains up to four specific **Action Steps** that will help you focus on gaining or taking ground in each **Storyline** of your life. Each **Action Step** will take the focus that you identified on the **LifeStep** of your **Personal Vision Frame** (a **Role** to step into, a **Resource** to increase, or part of your **Replenishment Rhythms** to emphasize) and turn that focus into a specific action. **Action Steps** combine that action with a daily, weekly or monthly rhythm to implement the action in regularly.

Each **Action Step** should be designed to directly or indirectly support the 90-day **Midground Horizon** goal over the next 90 days.

In summary, the Foreground Horizon:

- Clarifies weekly action steps.
- Manages every week's attention.
- Provides personal accountability.
- Keeps you focused on the 90-day goal in a way that naturally flows out of your four storylines.

Beyond The Horizon (3 Years)
 By March, 2018
 "My life will be a DEEP WELL of blessing, FREE to OVERFLOW". I see a giant pendulum swinging towards depth of identity from scope of activity-- "Being more accomplishes more than doing more". I will be closing out an extended "warrior" life stage and fully entering a "king" one. I see a freer man with more margin, spontaneity, and flexibility to invest in my central circle (romy, jacob, joel and abby) and the Auxano team. When I arrive, I will be prepared for the next chapter of new initiatives (content and tool creation, Auxano strategic relationships and Younique) with the strength of an already built platform, financial freedom and replenished energy in my personal life domain.

REPLENISH Re-establishing patterns of my beloved son storyline that have been eclipsed through over-activity, by fighting for the personal domain replenishment first.	REALLOCATE Successfully shifting the Auxano budget year model in a way that shifts 20% of my time to working "on" Auxano rather than working "in."	RESOURCE Developing a holistic financial strategy for family (will) and for future initiatives. I must get an advisor and support for part-time income for personal, financial and real estate.
